

SNAPPY ENHANCES MIDWEST FIELD SALES PRESENCE

Leading HVAC Supplier Partners adds New Field Sales Representative In the Upper Midwest

ATLANTA – October 31 2016 -- Snappy Air Distribution Products (www.snappyco.com), a leading supplier of metal pipe for the residential HVAC market, has hired David Paulson to provide dedicated field resources in its core Upper Midwest market. Dave will represent Snappy in Minnesota, North Dakota, Wisconsin and the Upper Peninsula of Michigan.

“We continue to invest in building a strong sales and service team that will represent the Snappy brand,” says Snappy Vice President of Sales Scott Bell. “Dave has worked over 25 years in the building products trade. With prior experience in distribution and manufacturing, Dave provides a unique skill set and broad experience that will enhance our growth and expansion strategy in conjunction with our distribution partners. Contractors keep returning to Snappy distributors thanks to our remarkable innovation, continuous quality products and impeccable service. Dave will further enhance this value proposition.”

About Snappy

Snappy, a leading supplier of metal pipe for the residential HVAC market, is recognized for remarkable innovation, quality products and impeccable service. Since 1955, Snappy has been a trusted resource to HVAC distributors and contractors. With a full line of components that fit together seamlessly and are safe for end users, the company manufactures approximately 4,000 SKUs of galvanized pipe, duct and fittings, as well as complementary accessories including drain pans, aluminum and venting products.
